

Mixed horizontal and vertical text

Horizontal English and vertical Chinese coexist on a portrait page.

H1

Horizontal section one: the vessel departed at 08:30 and reached checkpoint ALPHA.

H2

Horizontal section two: sample labels remain upright and preserve normal word spacing.

H3

Horizontal section three: the vertical sidebar is a separate reading region.

V1

Landscape page inside portrait document

MIX-P2

This second page changes MediaBox orientation and contains rotated labels.

LANDSCAPE-H1

A wide page tests mixed page orientation. The expected page order remains portrait then landscape.

LANDSCAPE-H2

The narrow vertical badge is rotated, while this paragraph remains horizontal.
